	:	INTERIM CONSENT ORDER
	:	OF VOLUNTARY SURRENDER
TO PRACTICE AS A HOMEMAKER HOME	:	
HEALTH AID IN THE STATE OF NEW JERSEY:	:	

This matter was opened to the New Jersey State Board of Nursing ("Board") upon receipt of information indicating that Mark S. Ngoajia, C.H.H.A. ("Respondent") was arrested on August 18, 2014 in Dover Township for one (1) count of N.J.S.A. 2C:14-2A (1), Aggravated Sexual Assault, one (1) count of N.J.S.A. 2C:14-2B, Sexual Assault and N.J.S.A. 2C:24-4, Endanger Welfare of Children. Specifically, Respondent was arrested for committing an act of sexual penetration upon a child under the age of thirteen years old by penetrating the child's anus with his penis.

The allegations, if proven, would demonstrate that Respondent has engaged in an act constituting a crime of moral turpitude which relates adversely to the practice of nursing in violation of N.J.S.A. 45:1-21(f) and has engaged in a crime requiring the revocation of his certification pursuant to N.J.S.A. 45:11-24.3.

It appearing that Respondent wishes to voluntarily enter into an interim agreement without making admissions and without prejudice to Respondent's ability to defend the allegation against him; and the Board finding the within disposition adequately protective of the public health, safety and welfare, and other good cause having been shown;

IT IS on this 5<sup>th</sup> day of August, 2014,

ORDERED that:

1. Respondent is hereby granted leave and shall immediately surrender his certification to practice as a homemaker-home health aide in the State of New Jersey pending disposition of the criminal charges, successful completion of all criminal sentencing terms (if any), and until further Order of the Board. Respondent shall, contemporaneously with the signing of this Order, forward his homemaker-home health aide certificate, both wallet and wall versions, to Shirley P. Dickstein, DAG, P.O. Box 45029, Newark, New Jersey 07101, on behalf of the Board of Nursing.

2. Respondent shall immediately cease and desist from holding himself out as a certified homemaker-home health aide and/or

practicing as a homemaker-home health aide, which includes but is not limited to performing delegated nursing regimens or nursing tasks delegated through the authority of a duly licensed professional nurse.

3. Prior to any application for restoration of his certification, Respondent shall appear before the Board or a committee thereof to discuss his readiness to reenter the practice as a homemaker-home health aide. At that time Respondent shall be prepared to propose his plans for future practice in New Jersey and demonstrate he is fit and competent to practice and has been rehabilitated to the Board's satisfaction.

4. Nothing herein shall preclude the Board from initiating disciplinary action based upon the conduct relating to Respondent as alleged above. The entry of the within Order is without prejudice to the further investigation and/or prosecution of any violations by Respondent of any statutes or regulations governing the practice of nursing in the State or any violations of law, by the Board, the Attorney General, or any other regulatory or law enforcement agency, including but not limited to any pending matters under investigation.

5. Nothing contained herein shall be deemed an admission of liability on the part of the Respondent.

6. If Respondent's certification as a homemaker-home health aide is reinstated, the Board, in its discretion, may impose any

conditions or restrictions on licensure it deems necessary to protect  
the public health, safety and welfare.
